Calling All Healthcare Organizations!

PHIT4DC

University of the District of Columbia / Howard University

CRISP DC · ONC · UNIVERSITY OF THE DISTRICT OF COLUMBIA 1851 · 1867 · HOWARD UNIVERSITY · DCPCA DISTRICT OF COLUMBIA PRIMARY CARE ASSOCIATION · ZN ZANE NETWORKS · DHCF

About PHIT4DC

The Public Health Information Technology for DC (PHIT4DC) program brings together the history and legacy of the District of Columbia's two Historically Black Colleges and Universities, the University of the District of Columbia and Howard University, in collaboration with a Consortium of Subject Matter Experts (SMEs) in the field of public health and informatics. The PHIT4DC multi-tiered program was designed to train the next generation of public health and informatics specialists in the District of Columbia.

Let's work together! Join us at our next job fair to create a brighter future for our community. Your support can make a difference!

Why Should You Participate:

- **Access Top Notch Candidates:** Connect with talented individuals looking to advance their careers in healthcare and health informatics.
- **Skilled Interns:** Find skilled interns to support your organization's goals.
- **Offer Career Advice:** Share your expertise and mentor the next generation of healthcare professionals.
- **Free Outreach For Your Organization:** Showcase your organization's capabilities and available opportunities at no cost!
